Contractor ID: 325	Audit Date: January 12, 2026
Category: clearGood	Google Reviews: 612

Section 1: Council Verdict

78

Risk Level: MODERATE

Recommendation: NOT_RECOMMENDED

No summary available.

Section 2: Three Persona Analysis

Consumer Advocate N/A Confidence: N/A Reasoning: As the Consumer Advocate, my job is to find reasons NOT to trust this contractor. The evidence presents a mixed but concerning picture. The most significant red flag is the contractor's age. BBB data shows a founding date of January 21, 2022, The	Fair Arbiter N/A Confidence: N/A Reasoning: The evidence strongly suggests Imperial Roofing and Construction is a legitimate, well-regarded business with significant positive signals. The most compelling evidence is the 627 Google reviews with a perfect 5.0 rating, which is exceptionally high volume for a 3-year-old business. The	Synthesizer N/A Reasoning: No dialectic audit data available. Stronger Case: N/A
---	---	---

meaning the business is only about 3 years old as of early 2025. This directly contradicts the implied experience suggested by 627 Google reviews and a 5.0 rating. A business this young cannot organically accumulate that volume of detailed, long-term customer feedback. This is a classic signal of review manipulation or aggressive solicitation. The Google Maps reviews themselves show patterns of inauthenticity: one review is posted by the business itself ('Imperial Roofing'), another is a generic promotional snippet, and several are truncated or duplicated. While the REVIEW_ANALYSIS tool concluded 'high authenticity,' its own signals ('Some reviews have slightly generic praise', 'High volume of 5-star reviews with no sampled lower ratings') and my independent assessment of the provided review samples point to gaming. The business is BBB Accredited with an A+ rating and no complaints, which is positive but not definitive; BBB accreditation can be purchased, and the lack

REVIEW_ANALYSIS indicates these reviews are highly authentic, with specific details about projects (hail damage, insurance coordination, specific crew names Igor/Ivan/Riley), varied services (roof, gutters, paint, fence staining), and emotional authenticity. The BBB A+ rating with accreditation since February 2022 (just one month after founding) shows proactive commitment to customer service standards. No complaints found on BBB is significant. The business is properly registered with the Texas Comptroller (IMPERIAL ROOFING AND CONSTRUCTION INC.) and has a professional website. No liens, court cases, or regulatory violations were found across multiple county searches and EPA/OSHA checks, though some searches had technical errors. The charitable interpretation of limited presence on some platforms (ANGI, Houzz, Facebook) is that they focus on organic growth through Google and word-of-mouth rather than paying for lead services. The 3-year

of complaints for a 3-year-old business with high volume is unusual and could indicate complaint suppression. No court records or liens were found, which is good but limited by search errors. The business is incorporated ('IMPERIAL ROOFING AND CONSTRUCTION INC.') and has a Texas franchise tax number, establishing legal existence. The absence on Angi, Houzz, and minimal presence on other platforms suggests they may focus review-gaming efforts on Google, where it's most impactful. The website uses a 'Trustindex' widget to display Google reviews, further emphasizing a curated perfect image. The worst reasonable interpretation: This is a relatively new business that has aggressively and potentially inauthentically built a flawless online reputation to appear more established and trustworthy than it is, a common tactic for contractors who rely on high-volume, insurance-driven work.

Key Concerns:

Business is only ~3 years old (founded Jan 2022 per BBB), which is

business age explains why they don't have 10-year track records. The primary concern is the perfect 5.0 rating across 600+ reviews, which could indicate review filtering or exceptional performance; the REVIEW_ANALYSIS found some generic praise but concluded reviews appear authentic. The business appears to specialize in insurance claim work (mentioned in multiple reviews), which often generates highly satisfied customers when handled well.

Positive Factors:

N/A

inconsistent with the volume and depth of experience implied by 627 Google reviews. This strongly suggests review manipulation or aggressive solicitation., Patterns of potentially inauthentic Google reviews, including reviews posted by the business itself, generic promotional content listed as reviews, and duplicated review text.

Points of Agreement

N/A

Points of Disagreement

N/A

Section 3: Red Flags

MEDIUM

Business is only ~3 years old (founded Jan 2022), creating a mismatch between its extensive perfect online reputation and its proven operational history.

LOW

Perfect 5.0 rating across 627 Google reviews is statistically unusual and could indicate aggressive review solicitation or filtering, despite analysis suggesting authenticity.

The overall hiring process for this roofing company was very efficient and highly organized from start to finish.\nIgor was excellent; he went over the whole process with me in detail, was honest about it, answered all my questions right away, and did a great job coordinating everything.\nIvan was on-site at the house throughout the project as the project manager and ensured each phase was executed perfectly. He was always there to answer any questions I had regarding the project.\nThe roofing crew worked quickly and professionally, taking care with what they were doing. The crew replaced my old roof and completed their work in no time. In general, the service that I received was superior to anything I could have imagined. I am thankful to everyone involved in installing my new roof and would not hesitate to refer them to friends and family.",

Working with Imperial Roofing was by far the best experience, and the results were amazing. Igor was very patient and gave us a ton of useful info. Make me felt like I was changing the roof the first time because there were so many things I didn't know before.\nHe also helped us navigate the insurance process and even got our entire fence stained. The installation was quick, but still really high quality. Our house looked brand new when they were done. Their pricing is also very fair. If you need any roofing work, I highly recommend Imperial Roofing!",

I appreciated how they were professional from the start of the process and stayed with us during the whole insurance claim until the whole insurance claim process was completely closed. We had issues with our insurance adjuster who was difficult to work with, but our contacts with Imperial were persistent and patient. The quality of work from the roofers was great. The workers were clean and picked up their trash. In summary, out of the three roofing companies I have ever used, I would rank Imperial as the best. I will use them again in the future if I have another major insurance claim.",

  "text": "I had a leak in my roof from a big thunderstorm and I called Imperial Roofing's Riley Donovan and had a great experience.\n\nNow I have a pretty solid metal roof and I feel like the only thing that could break it is a bull moose but I'll tell ya, this storm was trying hard. The thunder was going boom boom, the wind was blowing hard at 67 mph average and my house was creakin. In the morning we saw the leak and called the only roofing guy I trust, Riley.\n\nI was nervous. A new roof on my place was going to be expensive, definitely a Pre-Dave Ramsey purchase and sale for Riley. To my surprise, he said, \"this is the way,\" and advised not to replace, because it was unnecessary. He then asked if I needed accommodations but I told him I am sure I could do it. Afterall, I am a man and not doing this on my own would be a low T moment. I was impressed with Riley doing the right thing, even though it earned him nothing.\n\nA 5 star review is too low. I would give Riley 8/5 stars. Riley, do me a favor and \"say 8,\" when your boss asks how many stars you got. Happy 8 Day! It is Riley's time to shine because of his great customer service. Good for you,

He highly recommended Imperial Roofing & Construction because he knew the owners and was familiar with the quality of work they did. Riley, their sales representative, did a great job in explaining everything. The crew did the job in one day as expected and the new roof looks fantastic. From the moment he pulled up in a company truck, thorough initial inspection, professional demeanor, and quality material presentation; I knew I had chosen the right roofing contractor.\n\nOur roofers showed before 6:30 am on our scheduled date. I was skeptical after some poor experiences in the past, but I knew after our conversation that Igor was the right person for the job. When it was time to replace the roof, his team was up on the roof early to beat the heat and removed in the quietest, most careful way so as not to disturb us and our neighbors. They also took great care in cleaning up and protecting our home during the process. They also completed house painting, repair work on the exterior of the home, and fence repairs and staining. We were shown progress along the way, and Igor made sure we were 100% happy with the results. My husband and I were delighted to work with Igor and his team, and we would recommend him to anyone who needs someone honest, hard working, and who cares about his customers. Right now its 6/23/22, and all AC companies are busy and were booked ahead time, some for weeks. Imperial technician came to see the unit the same day, I called at 4PM I was given options and decided to get a new system, AC lifetime is 15y, some make it to 40y, but beside warranty you get a more efficient system as well. I got the options next morning, and same day everything was replaced clean up, and me and my wife enjoyed our home again.\nThank you Igor, we both are very grateful for your help, and especially for being so prompt, which is rare in these times.",

"text": "Igor and Imperial Roofing are definitely the best roofing company in DFW. I was really impressed with Igor's responsiveness, his willingness to explain the process in detail and not hurry us to make a purchase.\n\nOur homeowners insurance tried to stiff us for our hail damage insurance claim and Igor went out of his way including getting external parties to ensure we got a fair payout.\n\nNow on to the actual replacement of the roof - the crew showed up in time, worked efficiently and quickly and cleaned up after work. The previous roofer we used (Bold Roofing) had never even bothered to remove the original underlayment and just put theirs on it. Imperial Roofing removed both layers, found some boards damaged by water leakage (which previous roofers never saw) and replaced those. Their professionalism was apparent in the care they took to ensure they didn't damage our HVAC lines, repainting the roof flashings and other things.

I noticed attention to detail I haven't seen from any other roofing company.\n\nFollow up visits from other sub contractors for our pergola roof, gutters and fence stain were also quickly scheduled and completed.\n\nI highly recommend Imperial Roofing and Construction and will be using them for any future roof repairs and repair highly recommend them to anyone who is reading this review",

Quick and professional. Will definitely call on them again. Posted on Gina Wilson October 29, 2025 Trustindex verifies that the original source of the review is Google. Igor is the best! This is the second time we have used him for our roof replacement. He and his crew do fantastic work in a very timely and professional manor. I would highly recommend Imperial Roofing! Posted on Shaun Williams October 6, 2025 Trustindex verifies that the original source of the review is Google. The Imperial Roofing and Construction team, from Riley in sales and service, Ivan in project management, to the amazing roofers and office staff are A+++. Quality work, attention to detail, taking care of your home as they would theirs, and going above and beyond for my home was a great experience. Thank you all. Posted on Nik Mithani September 29, 2025 Trustindex verifies that the original source of the review is Google. Imperial and Igor were great to work with throughout the entire process and did a fantastic job. Posted on Jana Logue September 12, 2025 Trustindex verifies that the original source of the review is Google. My experience with Igor and his team was 10 stars (if I could give it to him!), He explains things in a way that helps you to understand the replacement process, what is the real damage on your roof and structures, how to navigate a world you don't know much about, and he uses facts to back up his statements. I was skeptical after some poor experiences in the past, but I knew after our conversation that Igor was the right person for the job. When it was time to replace the roof, his team was up on the roof early to beat the heat and removed

in the quietest, most careful way so as not to disturb us and our neighbors. They also took great care in cleaning up and protecting our home during the process. They also completed house painting, repair work on the exterior of the home, and fence repairs and staining. We were shown progress along the way, and Igor made sure we were 100% happy with the results. My husband and I were delighted to work with Igor and his team, and we would recommend him to anyone who needs someone honest, hard working, and who cares about his customers. The pricing was also great and very reasonable. Thank you Igor and Imperial Roofing! Posted on Rajib Mazumder September 12, 2025 Trustindex verifies that the original source of the review is Google. Igor from Imperial Roofing came up with a good plan and helped the job done in a smooth way. Highly recommend! Posted on Xyrex September 11, 2025 Trustindex verifies that the original source of the review is Google. My wife and I contracted Imperial Roof to install our new roof and gutters and the experience has made us lifelong customers. This company has an amazing crew who takes great pride in their services and we will highly recommend them. 10/10 A huge thank you goes out to Riley! He was there for us from start to finish. He explained everything in detail and how it was going to happen step by step. Also, big thanks goes to Ivan, and the roofing crew. Their high quality workmanship, professionalism, and attention to detail is admirable. Thanks Again, Emerson Family Posted on Sulakshan Shetty September 10, 2025 Trustindex verifies that the original source of the review is Google. We had a great experience with Igor and team at Imperial Roofing. Everyone was very responsive throughout the whole process. We were kept well informed about the plan. Any questions were answered promptly. Ivan stopped by multiple times to show us shingle samples and helped us pick one. He was also onsite during and after the roof replacement to ensure everything was done right. I highly recommend Imperial Roofing. Posted on Sergei September 10, 2025 Trustindex verifies that the original source of the review is Google. I recently hired Igor for a full roof replacement, and I couldn't be more pleased
